Important Notes for Your Calendars!

Watch Week!

Mark your calendars! The first watch week of the season is October 23rd - October 28th! For those who don't know, watch

week is a time when family and friends are invited to the studio to watch their favorite dancer's classes. Watch week gives our dancers the chance to perform in front of an audience and show their loved ones everything they have been working so hard on. Please take the time to stop out during watch week. You (and your dancer) will be glad you did!

Happy Halloween!

Dancers are invited to dress for Halloween October 25th-31st. Nothing scary and please be sure your dancer can still easily dance.

Here's another important note to mark on your calendar! All classes after 5:45pm on Halloween (Tuesday, October 31st) are cancelled. Everyone have a fun Halloween!

DX DANCE CHALLENGE OF THE MONTH...

With the new dance season just getting started it's easy to convince yourself to take it slow and ease yourself back into dance. (The recital is seven months away right?) But this month's dance challenge is to dance this fall like it's the spring! Everyone knows when it's spring time it's time to turn it up in dance class! We all push ourselves, our technique, and our minds to the limit to prepare for the show. But if you can start pushing yourself that hard right now and continue that effort throughout the year, just imagine what kind of dancer you will be in the spring. Take the challenge and let's dance!

PLEASE NOTE...

As always, we have lots of notes, reminders, and other items of interest! Check your email, the DX Facebook page, and studio whiteboard for current info.

ACROBATIC ARTS CERTIFIED!!

Congratulations to Miss Aby! Last month, Aby attended Acrobatic Arts training where she became a certified Acrobatic Arts instructor. The training is specifically designed for dance educators to safely and effectively instruct acrodance in the studio. Teachers learn proper transitioning from dance to acro skills, spotting technique, and cover basic anatomy as part of their intense training. Don't be surprised if Miss Aby pops into some of our acro classes to put this great knowledge to use!

CONGRATULATIONS GIRLS!

Congrats to Maxine & Faith who auditioned for Pure Existence X2 in August and were offered positions for the 2017-18 season!

X2 is a program designed to introduce a company environment to young adults (grades 9-12) interested in pursuing a career in dance. The program provides supplemental training and performance opportunities to members who meet the qualifications and audition requirements. Members will take weekly class with Pure Existence dancers and have the opportunity to perform alongside these and other area professionals!

MAKING CENTS!

Drop your spare change into the water jug located in the main lobby. Monthly, 10% of funds will be awarded to one lucky dancer and applied to their account. This month, 50% will also be donated to the Susan G. Komen Cancer Fund. The remaining funds help offset costs for our competitive dancers.

Apples and Pumpkins and Corn Mazes Oh My!
We love the fall!
