

January 2025 Newsletter

Dance Xplosion

It's Costume Time!!

Welcome back and Happy New Year! With the turn of the calendar, that means the annual recital is just around the corner. Some costumes are arriving and the excitement is building! Costume boards will soon be posted in the hallway.

Costume statements will be EMAILED later this month (January). Statements reflect additional costume costs including tights. A detailed letter will accompany the emailed statement. Payment can be made any time between now and March 1st. Costumes will be distributed the last week in March. Please be sure to make payment prior to our costume distribution week to ensure your dancer receives his/her costume.

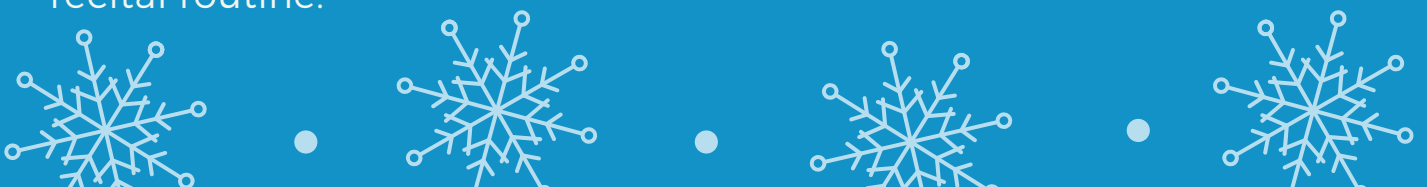

Thank you!

We would like to extend a huge thank you to all of you that donated blankets to help us support the Delonis Homeless Shelter this holiday season. It was a huge success!

Watch Week Is Coming!

Watch week will take place from Jan. 25th - Jan. 31st! We invite all parents, family & friends to watch your amazing dancers in action! For this round of Watch Week, you will get a glimpse of your dancer's recital routine.

Thank You For Your DX Spirit!

We would like to extend gratitude to all that came to participate in the Milan Holiday Parade! DX was well represented. Thank you!

DX is Ann Arbor's Family Favorite!

We are beyond thrilled to share that Dance Xplosion has been named the winner in Ann Arbor's Family Favorites poll! This recognition wouldn't be possible without our incredible teachers and staff, whose dedication, passion, and creativity inspire our dancers every day.

We are also deeply grateful for our loyal Dance Xplosion families, you are the heart of our community, and your support means the world to us. Thank you for believing in what we do and helping us create a space where dancers can grow, learn, and thrive. This award belongs to all of you, and we're so excited to keep dancing through another amazing season together!

Inclement Weather

In the event Milan Schools are closed due to inclement weather and dangerous road conditions, the studio will also be closed. Look for updates on Facebook and Instagram in the event classes are cancelled.
